

International Women's Union
Russia. Moscow

Amirova Alfiya

**President
International Women's Union**

Dear members and partners of the International Women's Union!

It gives me great pleasure to invite all of you to productive joint growth in the territories of our organization, where the global women's community will come together to receive support aimed at developing professional, social and cultural levels, as well as to represent and protect common interests.

The International Women's Union is a globally oriented organization that uses the huge opportunities associated with the promotion of women entrepreneurs of small and medium-sized businesses thanks to our resources and the experience of women leaders of our organization's members.

Our global platform connects participants from different countries with the best solutions - this provides an unprecedented opportunity to conduct international business, interact at the level of local systems and share knowledge in order to realize the concept of globality

Goals:

An association
of women entrepreneurs of small and
medium-sized businesses

aimed at
developing a professional, social
and cultural level, as well as to
represent and protect common
interests

Tasks:

Assistance and support

- Promoting the formation of comfortable conditions for uniting women entrepreneurs, creating a platform for communication, exchange of experience, discussion of various business ideas and projects, expansion of business ties
- Work within the framework of major international economic forums and congresses, organization of business missions, during which meetings with representatives of government agencies and the business community are held
- Provision of information support, including support in the promotion of goods and services produced by Members of the Organization to markets, including regional and international

Consultation and coordination

- Providing consulting and legal support to members of the Organization
- Representation and protection of the rights, as well as the general, including professional, interests of the members of the Organization, as well as coordination of their activities

Tasks:

Competence development

- Assistance in the training, retraining and **advanced training** of members of the Organization
- **Development** of entrepreneurial literacy and **entrepreneurial competence** of women
- Popularization and promotion of entrepreneurship, **formation of a positive image** of a Russian woman entrepreneur
